

Detective Lab Toolkit

Detailed Investigation Record

"Ideal for in-depth investigations, detailed recording, or independent researchers"

Detailed Investigation Record

"Ideal for in-depth investigations, detailed recording, or independent researchers"

Detective Name: _____ **Date:** _____

Investigation Number: _____ **Time Started:** _____

Time Finished: _____

Investigation Title ■ _____

Research Question

What specific question am I investigating?

My Hypothesis

What do I predict will happen and why?

Materials and Equipment

List all tools, materials, and specimens needed:

<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____

<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____

Observations and Data

Record measurements, observations, and data systematically
Include drawings and photographs:

Analysis and Patterns

What patterns or trends did I observe in my data?

Conclusion

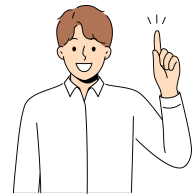

Was my hypothesis supported or refuted? What did I discover?

Evaluation and Improvements

What worked well? What could be improved?

What errors occurred?

Further Investigations

What new questions has this investigation raised?

What would I investigate next?
