

# Blank Number Lines

*A versatile collection of number lines for all stages of learning*

0 – 10 (line 1 of 3)

The image displays three identical horizontal number lines stacked vertically. Each line is a dark blue line with arrows at both ends pointing left and right. There are 11 evenly spaced tick marks along each line. Below each tick mark is a light blue rounded rectangular box, intended for writing a number. The boxes are empty, and the lines are otherwise blank.

# Blank Number Lines — 0 to 20

Three number lines with 21 positions — ideal for addition and subtraction to 20

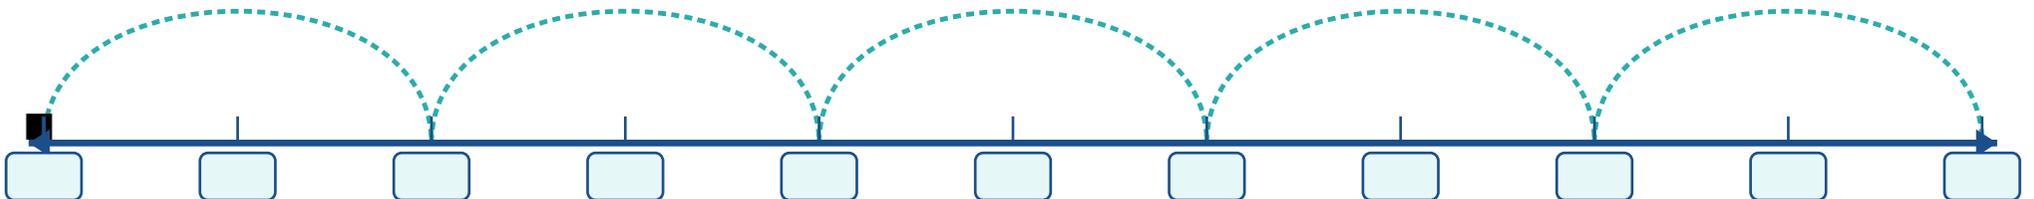

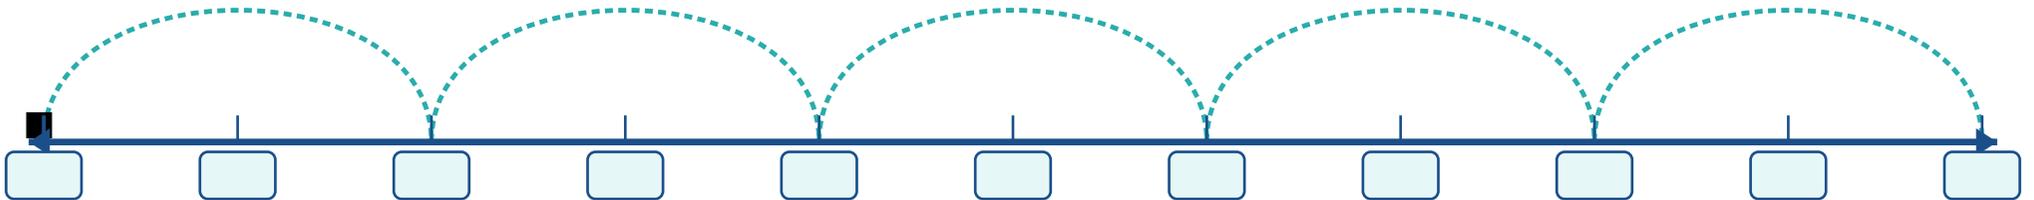

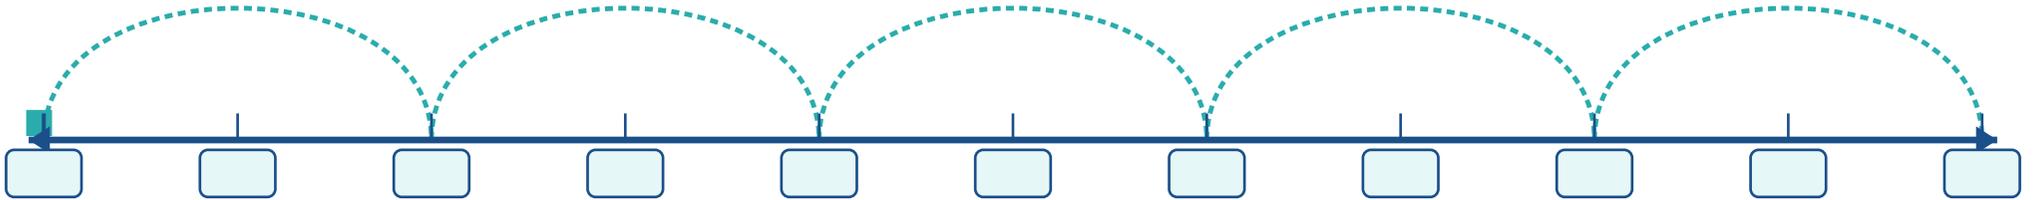

0 – 20

The image displays three identical horizontal number lines, each consisting of a blue line with arrows at both ends. Above the line, there are 21 vertical tick marks. Below the line, there are 21 light orange rounded rectangular boxes, each aligned with a tick mark. The first tick mark on the left is labeled '0' and the last tick mark on the right is labeled '20'. The boxes are currently empty, providing space for students to write numbers or perform calculations.

# Frog Hop Number Lines

*Hop along the number line — great for counting on and counting back*

Count on or count back — draw your hops!

# Blast Off! Number Lines

*Rocket number lines — perfect for early years counting and number recognition*

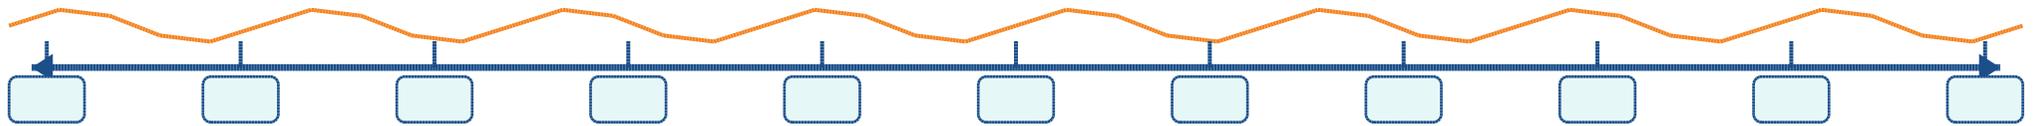

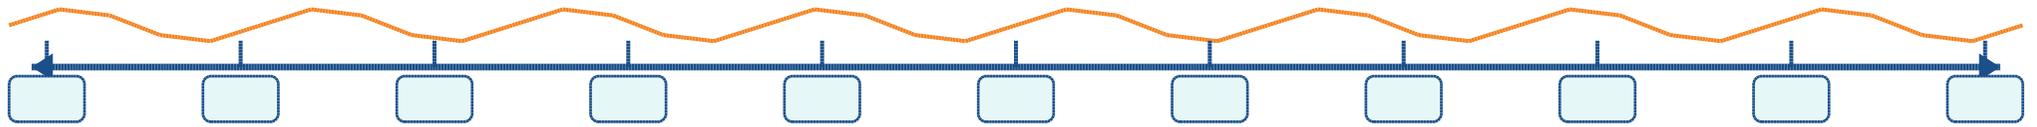

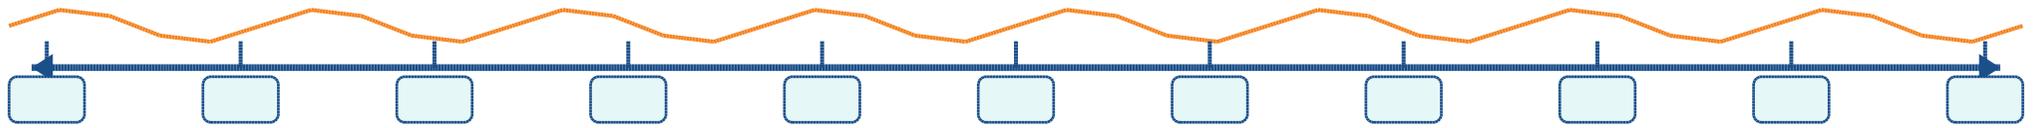

Write the numbers 0–10 in the boxes!

The image displays three identical horizontal number lines, each starting with a yellow square on the left and ending with an arrow on the right. Each line is divided into 11 equal segments by vertical tick marks. Below each tick mark is a light orange rounded rectangular box for writing a number. Above the second, fourth, sixth, eighth, and tenth tick marks, there is a small yellow star. The boxes are currently empty, intended for the student to write the numbers 0 through 10 in order from left to right.

# Wavy Number Lines

*A fun wavy design — use for any number range you choose*

Fill in your own numbers!

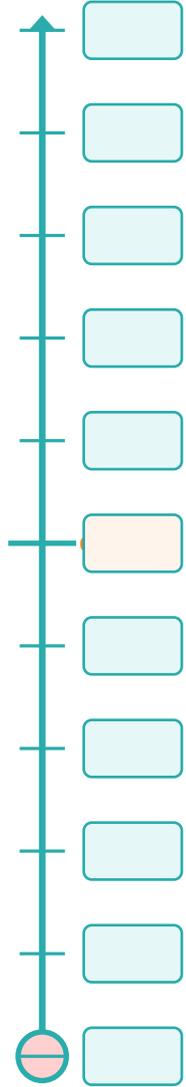

# Thermometer Number Lines

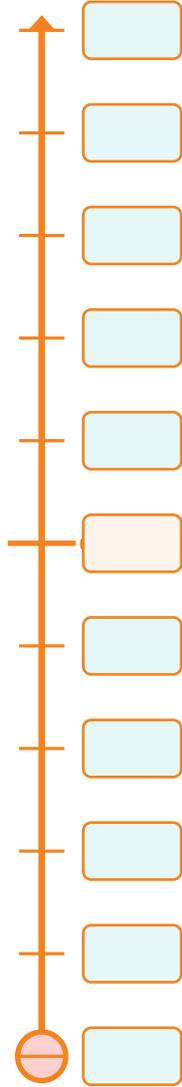

*Vertical number lines — ideal for introducing negative numbers and temperature*
